Community Engagement

- **Appalachian Hydrogen Hub:** Focuses on equitable workforce development and job opportunities for coal communities, creates a Community Advisory Board.
- **California Hydrogen Hub:** Implements strong governance mechanisms with labor, tribal, and environmental representation, including independent monitoring and monetary penalties for non compliance of the Community Benefit Plan
- **Gulf Coast Hydrogen Hub:** Establishes a Community Advisory Board with education and community partners, and focus on reducing air pollution.
- **Heartland Hydrogen Hub:** Offers equity ownership to local farmers and tribes, committed millions to create an education consortium to oversee career dev.
- **Mid-Atlantic Hydrogen Hub:** Partners with labor and minority-serving institutions to negotiate Project Labor Agreements for all projects and provide close to \$14 million for regional Workforce Development Boards
- **Midwest Hydrogen Hub:** Ensures diverse hiring and contracting with targets for Minority/Disadvantaged Business Enterprises (M/DBEs).
- **Pacific Northwest Hydrogen Hub:** Project Labor Agreements for all projects over one million and labor-management/state-registered apprenticeship
