BUSINESS CONNECT

Empowering the Future
with Green Hydrogen:
**Innovation, Collaboration,
Sustainability**

“Congratulations to all parties involved in organising this inaugural event, the first of its kind in Sarawak, Malaysia, and the Asia Pacific region.”

**The Right Honourable
Datuk Patinggi Tan Sri (Dr) Abang Haji Abdul Rahman Zohari
Bin Tun Datuk Abang Haji Openg
Premier of Sarawak**

Asia Pacific Green Hydrogen Conference & Exhibition (APGH) 2026 will again be offering an unparalleled opportunity to network, collaborate, and discover the latest advancements in green hydrogen technology. By leveraging its renewable energy potential, addressing growing energy needs, and committing to sustainability, the Asia Pacific region is set to become a global hub for green hydrogen innovation and adoption.

Embracing green hydrogen will not only support regional energy transition but also contribute to global efforts to achieve a sustainable, low-carbon future.

Capitalise on the region's momentum towards sustainable energy solutions, connect with influential stakeholders, and drive the growth of your business in the fast-evolving green hydrogen market by participating at **Asia Pacific Green Hydrogen 2026**. Increase your brand's visibility and recognition within the industry by being part of a high-profile event.

#APGH2024 IN NUMBERS:

3233
trade visitors

611
Conference Delegates

72 distinguished
speakers and presenters

Total exhibition floorspace of
2400 square meters

96 participating
companies

More than **RM6 billion**
Memoranda of Understanding
(MoU) signed

90+
Speakers

5,000
Industry and
Trade Visitors

30

Represented

800+
Conference
Delegates

100+
Participating
Companies

25+
Government
Speakers

Building on the success of our inaugural event, APGH 2026 promises to be even bigger and better. Anticipate a richer array of conference content featuring insights from industry giants and government leaders, an expanded exhibition floor showcasing cutting-edge hydrogen innovations and solutions, and a larger, more dynamic crowd ready to engage and forge new business partnerships. APGH 2026 promises an elevated experience, making it the must-attend event for anyone involved in the green hydrogen sector.

The APGH2024 has been a resounding success and has set the stage for Sarawak to continue its green hydrogen journey.

The Honourable Datuk Dr. Haji Hazland Bin Abang Hipni
Deputy Minister for Energy and Environmental
Sustainability Sarawak

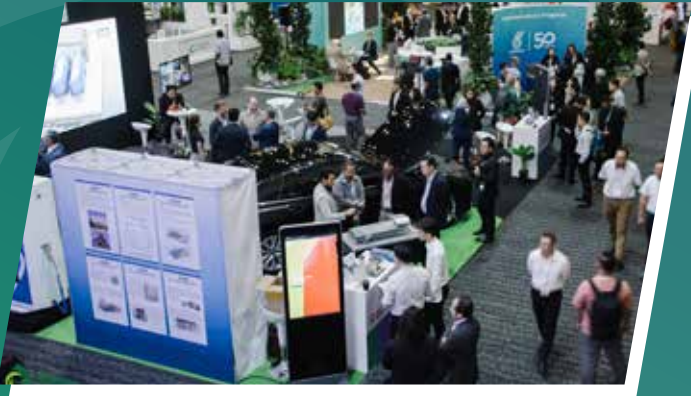

EVENT FEATURES OF APGH 2026

Official Launch Ceremony

High Level Conference

Exhibition

Tech Talks

VIP exhibition tours

Technical Visits

3 DAYS OF HIGH LEVEL CONFERENCE

The APGH 2026 Conference is set to be a cornerstone event in the green hydrogen calendar, bringing together **over 800** of the most influential delegates from across the globe. Over the course of three dynamic days, participants will be immersed in a rich program of thought-provoking discussions, expertly moderated panels, and visionary keynote addresses that will shape the future of green hydrogen.

Attendees will benefit from the unparalleled opportunity to learn from and engage with **over 90** distinguished speakers. These speakers include industry pioneers who are at the forefront of technological innovation, policymakers who are crafting the regulatory frameworks for tomorrow, and leading researchers who are pushing the boundaries of what's possible in sustainable energy.

KEY SPEAKER PROFILES

GOVERNMENT AND POLICY LEADERS

Senior government officials and policymakers from Sarawak and other regions, discussing regulatory frameworks, policies, and strategic initiatives to promote green hydrogen.

INDUSTRY KEY DECISION MAKERS

CEOs, COOs, and senior executives from leading companies in the hydrogen value chain, sharing insights on market trends, business strategies, and industry developments.

FINANCIAL EXPERTS

Executives from companies specializing in renewable energy sources such as solar, wind, and hydroelectric power, discussing the integration of renewables with hydrogen production.

TECHNOLOGY INNOVATORS

Leaders in hydrogen production, storage, and utilization technologies, presenting the latest advancements, research findings, and innovative solutions.

RENEWABLE ENERGY PRODUCERS

Executives from companies specializing in renewable energy sources such as solar, wind, and hydroelectric power, discussing the integration of renewables with hydrogen production.

ACADEMIC AND RESEARCH EXPERTS

Professors, researchers, and scientists from leading universities and research institutions, providing insights into cutting-edge research, technological innovations, and future directions in green hydrogen.

It was an impressive meeting with very high turnout of committed regional hydrogen ambassadors from across the ecosystem, who show that the time for scaling hydrogen in Asia Pacific is now!

Prasanna Ganesh
Executive Vice President
Toyota Motor Asia

APGH 2026 Exhibition

With **100 participating companies**, APGH 2026 is poised to build on its inaugural success, reflecting the rapid growth and high demand in the green hydrogen sector. The Exhibition will be the perfect venue to hold meetings and discuss business with key decision-makers across the entire hydrogen value chain.

Featuring engaging Tech Talk sessions, country pavilions, dedicated networking areas, exciting product launches, and more, APGH 2026 is the ideal platform to discover the latest advancements, forge new partnerships, and drive the future of green hydrogen innovation.

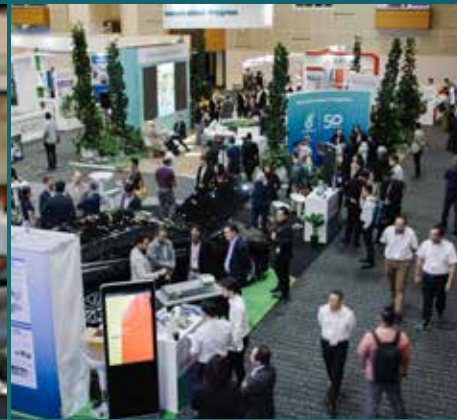

We are happy to take part in this exhibition and it is well organised and it is perfectly done and we look forward for the next edition in 2026.

Ivan
Head of Segment, Industrial
Peri Formwork

THE PREMIER PLATFORM FOR HYDROGEN INITIATIVES, POLICIES, AND STRATEGIES

The **APGH 2026** exhibition will showcase a wide range of green hydrogen innovations, highlighting various aspects of this transformative energy source and its impact on the future of clean energy.

Hydrogen Producers

Technology Providers

Fuel cell manufacturers

Energy Companies

Electrolysers

Systems & solutions

Automotive & Transportation

Policy Makers & Regulators

Investors & Financial Institutions

End user applications

Carbon Capture, Utilisation and Storage (CCUS)

Test, simulation & evaluation

TECH TALKS

The not-to-be-missed Tech Talk at APGH 2026, running parallel to the Conference Sessions and held on the exhibition floor, brings you a collection of 30 presentations delivered by 20 expert industry speakers. This unique opportunity allows you to hear directly from hydrogen experts showcasing their company's latest technologies and solutions to advance the hydrogen ecosystem. Additionally, you'll have the chance to network with 5,000 visitors, making APGH 2026 an essential event for anyone involved in the green hydrogen industry.

NETWORKING ZONES

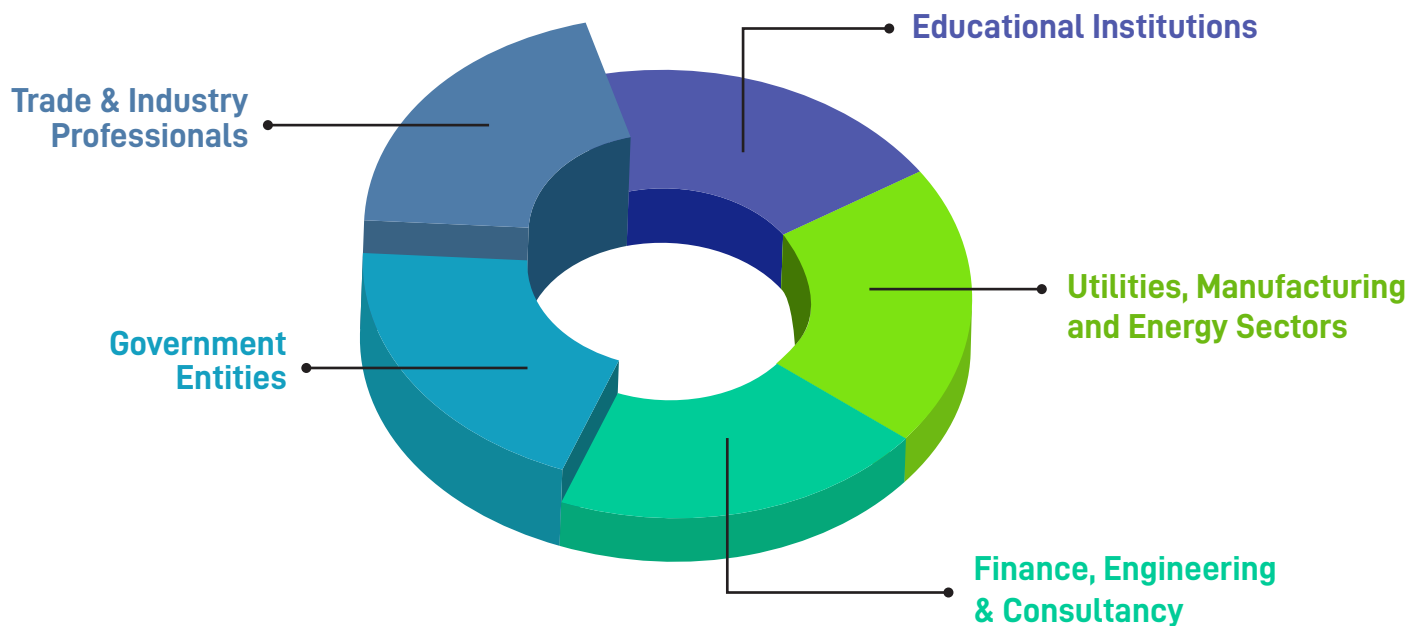

The exclusive networking sessions at APGH 2026 offer unparalleled opportunities to connect with industry leaders and peers. Held in dedicated networking areas and a VIP lounge within the exhibition hall, these sessions are designed to facilitate meaningful interactions and foster collaborations. With a focus on bringing together key stakeholders from across the green hydrogen sector, you'll have the chance to discuss business, share insights, and forge valuable partnerships. Catering to 5,000 visitors, APGH 2026 ensures that every attendee has the opportunity to expand their professional network and drive the growth of their business in the burgeoning green hydrogen market.

ENGAGE WITH THE GLOBAL HYDROGEN NETWORK

The Asia Pacific Green Hydrogen Conference & Exhibition 2026 (APGH 2026) is the premier platform for connecting with the entire hydrogen value chain. Bringing together industry leaders, policymakers, innovators, and stakeholders from around the world, APGH 2026 offers unparalleled opportunities for networking, collaboration, and knowledge exchange.

SPOTLIGHT YOUR BRAND AT APGH 2026

WHY EXHIBIT AT APGH 2026?

- Connect with a focused green hydrogen audience.
- Position your brand as an industry leader.
- Network with key decision-makers.
- Showcase products and gain feedback.
- Stay updated on market trends.
- Expand global influence and visibility.

WHAT'S INCLUDED IN THE SHELL SCHEME?

SHELL SCHEME USD 490 PER SQM

- Your company listed in APGH BizConnect mobile app
- Assistance and recommendations from our dedicated exhibitions team
- Sizes from 9 square meters
- Fascia with company name
- Free of charge Visitor Tickets
- Access to the Tech Talks

WHAT'S INCLUDED IN BARE SPACE

BARE SPACE USD 430 PER SQM

- Your company listed in APGH Bizconnect mobile app
- Assistance and recommendations from our dedicated exhibitions team
- Sizes from 18 square meters
- You design and build your stand to your specifications
- Free of charge Visitor Tickets
- Access to the Tech Talks

LEAD THE FUTURE, CONNECT WITH VISIONARIES, SHAPE GLOBAL SUSTAINABILITY

WHY ATTEND APGH 2026 CONFERENCE

- Access exclusive insights from top industry experts and policymakers
- Expand your professional network
- Enhance your expertise and professional standing
- Contribute to conversations
- Discover cutting-edge innovations
- Understand emerging markets and investment opportunities

CONFERENCE DELEGATE PERKS

- Access to all APGH 2026 Conference sessions
- Business Matching opportunity in APGH Biz Connect
- Shuttle transfer
- Coffee/Tea Breaks
- Buffet Lunch
- APGH 2026 Conference Kit
- Access to APGH 2026 Exhibition
- One Gala Dinner seat
- E-certificate of Participation

TECHNICAL VISITS

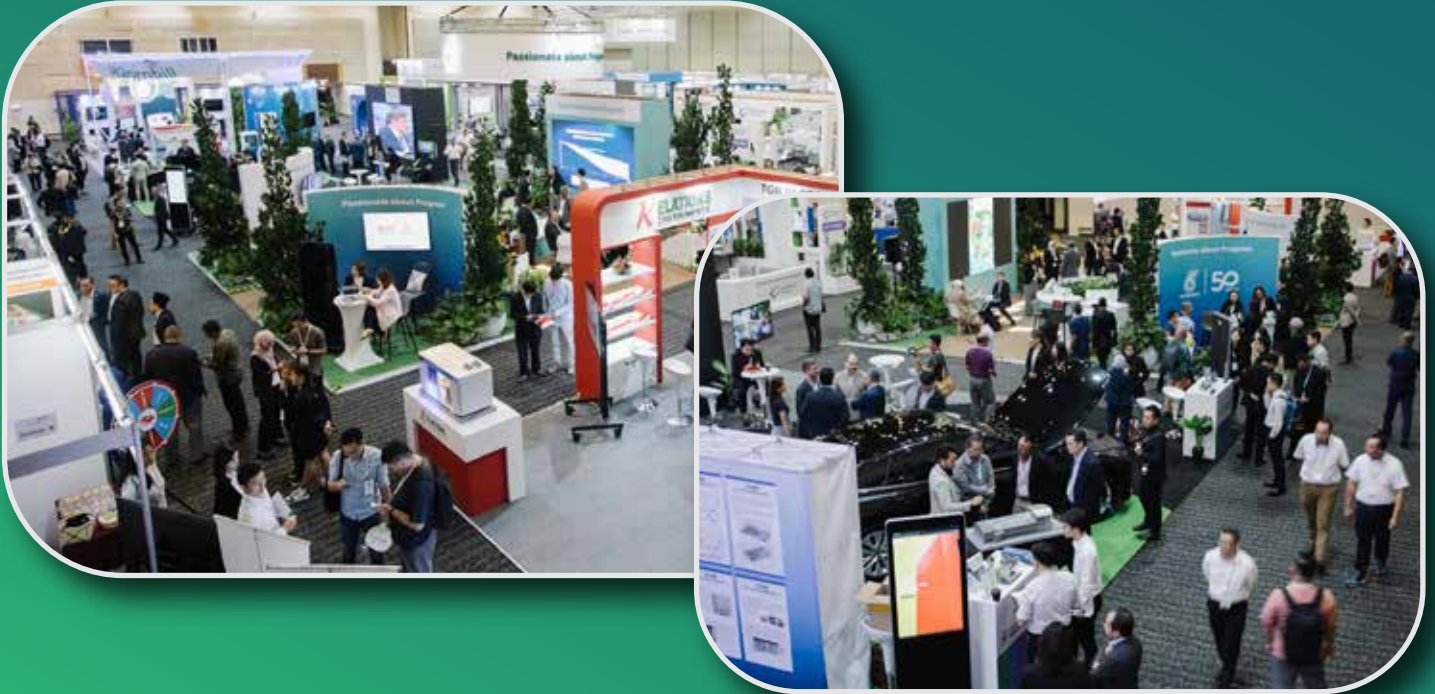

- Gain direct insight into Sarawak's pioneering green hydrogen projects by visiting key sites
- Enjoy behind-the-scenes tours of cutting-edge facilities and institutions
- Benefit from guided tours led by industry experts and project leaders
- Travel in style and sustainability with hydrogen-powered shuttle buses

MAXIMISE EXPOSURE WITH TAILORED SPONSORSHIP OPPORTUNITIES

Sponsoring APGH 2026 is more than just an opportunity—it's a strategic move to position your brand at the forefront of the green hydrogen revolution.

WHY ALIGN YOUR BRAND WITH US

- ✓ Place your brand in front of key government officials, industry decision-makers, and experts in the green hydrogen industry.
- ✓ Associate your brand with a leading event in sustainable energy.
- ✓ Reach your specific market in a cost-effective way.
- ✓ Differentiate your company and stand out from your competitors
- ✓ Make your brand part of the visitor experience.
- ✓ Access unrivalled networking opportunities with industry leaders.
- ✓ Escalate your marketing momentum and raise your industry standing.
- ✓ Expand your customer base and gather essential sales leads.
